## Arctic Coast Way

Norðurstrandarleið

## Arctic Coast Way

Traveling the Arctic Coast Way means leaving the common routes behind you and going off the beaten track to discover some of the most remote places in North Iceland; a unique adventure following 900 km of coastal roads close to the Arctic Circle. It connects you to its authentic coastal villages and people, whose stories and culture are shaped by life on the edge, so close to the Arctic Circle.

It surprises you with its ever-changing moods of remote tranquility, vibrant energy and magical light all year round. You are set free to slow down, and discover a different way of life. You will leave uplifted, refreshed, fulfilled with unique memories of this awe-inspiring place.

## Diamond Circle

The Diamond Circle is a magnificent circuit of 250km in North Iceland, which includes some of the most stunning sights and spots for unearthly landscapes.

The Diamond Circle has five key destinations, which include the historical and picturesque **Goðafoss**, the unearthly blue and green landscapes of **Lake Mývatn** nature paradise, the uncontrollable white energy of **Dettifoss**, the most powerful waterfall of Europe, the crescent-shaped wonder of **Ásbyrgi** canyon and **Húsavík** the buzzing whale watching capital of Iceland with the deep blue seas ahead.

The Diamond Circle offers even more. Discover the astonishing valley of Vesturdalur with the bizarre rock formations of Hljóðaklettar; the otherworldly volcanic fields of Krafla, the geothermal area of Hverir and the black lava formation at Dimmuborgir.

The Diamond Circle truly is not only a circuit of 250km. It is the chance for an epic and unforgettable adventure that is waiting for you.
